

# Microsoft Authenticator

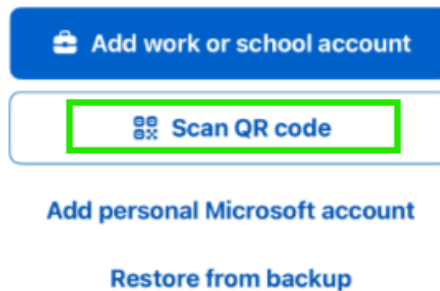

Download/Open – from App Store (iPhone) or Google Play (Android)

---

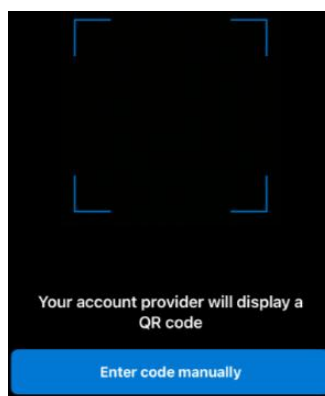

**Step 1** – A pop-up will appear asking the Authenticator app to use your camera. Select 'Allow'.

**Step 2** – You can either add your email if you have one or simply click on the "Scan QR Code" option if you don't.

**Step 3** – A QR code will appear on 1Chart. Use your Authenticator app to scan it, If that doesn't work, choose 'Enter code manually'.

---

**Step 4** – Once scanned, the account is added, and a 6-digit code will appear. (refreshes every 30 sec)

**This code should not be shared.**
