

A photograph of a male doctor with glasses and a female nurse in a pharmacy setting. The doctor is wearing a white lab coat over a striped shirt and tie, and is smiling while looking at a tablet computer. The nurse is standing next to him, also looking at the tablet. The background shows shelves with various bottles and boxes, typical of a pharmacy. The entire image has a dark green overlay.

Webinar – Flu Vaccinations 2024

March 2024

2024 Flu Vaccination Season

Covered in today's webinar:

- Flu vaccines available in Tonic

Contact Patients About Flu Vaccinations

❑ Use Bulk Edit Patients to select patient who you would like to target (9. Other > 2. Bulk edit patients), e.g.,

- Patients who received a flu vaccination last year
- Over 65-year-olds

❑ Other criteria can be selected, e.g.:

- *Has mobile number*

❑ After running the report, patients can

be added or removed using the same

criteria screens, e.g.:

- Patients in an *Institution*
- *Maori/Pacific Islander* patients
- Patients with medicines relating to a condition
